City Gets Port Land By Vote I. I. Trustees

Governor Warren Cast Single
Vote Against City
Application

Trustees of the Internal Improvement Fund granted the city land along south Main Street and north of the Corbin's Fishing Camp to be used for municipal port and dock facilities at a board hearing Tuesday morning.

The verdict closed an issue which has been pending settlements between the city and the Broward and Monroe and Corbin's Fishing Camp to be used for municipal port and dock facilities at a board hearing Tuesday morning.

Mayor W. F. Crider, Commissioner Junius Harris, City Engineer, John C. F. Ed.

Levitt represented the city in the meeting held in the governor's office in Tallahassee.

Mr. Crider presented his own argument. Vote favoring the city's application was taken with the exception of that Gov. Fulbright who was asked to record as voting "No."

Objecting to city purchase of the land, and to several acres as well as upland owner he should not be entitled to compensation and that nothing was done for him.

Attorney General Richard E. Lefler, who has been involved between conflicting interests when Ed Larson, state treasurer, pointed out that a hearing had already been held in Miami for the land and that nothing was done for him.

F. A. Lefler, local farmer who also owns land adjoining the area in question, testified he had more right to buy the land than Bradcock but considered it useless to argue the point.

"I am the owner of the major portion of land adjoining the section and have as much if not more right to buy it as upland owner as Bradcock," Lefler stated. He said he would rather the city have the land for a veterans' center and for Corbin to receive his request for further development of his fishing camp than to get it for personal purposes.

Nathan Mayo, Commissioner of Agriculture, Sinclair Weller, state agent, and F. A. Lefler, concurred with Lefler's statement that the land is useless for agricultural purposes.

Bradcock then suggested that Corbin receive his part and that the city get the remaining portion of the land.

"I am the owner of the major portion of land adjoining the section and have as much if not more right to buy it as upland owner as Bradcock," Lefler stated. He said he would rather the city have the land for a veterans' center and for Corbin to receive his request for further development of his fishing camp than to get it for personal purposes.

Growers Relieved But Car Shortage Looms Again Here

Ease Due to Citrus Embargo
Which Ended Last
Thursday

Growers unleashed curtailed picking and packing operations as the refrigerated car shortage cleared and 597 cars of produce were shipped from the area this week.

But the adequate supply may be only temporary as a shortage looms again beginning today, R. E. Hotard, Florida East Coast commercial agent, warns. Additional cars in the area this week were largely due to the emergency of the shipping which terminated Thursday.

Part of the produce backlog was taken off of growers hands although much has been lost during the five to six-week car shortage.

Cabbage was at its peak in production, according to Mr. Hotard.

THE PEOPLE, GUARDIANS OR NOT

The city, too, is the people's government made for the people, made by the people and answerable to the people."

And the people are the guardians of that which is theirs. At least they are supposed to be. But the record here shows their scrutiny has been growing dull lately.

This must be the case when the State Board of Health sends in a report of a condition in our local water plant which has failed to meet the standard. Last year the Board's annual report was the result of an indirect act of the chamber of commerce. The directors were seeking installation on the new fluoridation system here when the state board sent the unfavorable report.

After the situation was publicized, not a single citizen served by this supply made a point to inspect or investigate. Yet the health and that of their families are directly dependent on its purity.

Just the other day S. W. Wells, sanitary engineer of the Florida State Board of Health from Jacksonville, made a return visit and plant checkup. He reported his findings at a chamber of commerce directors meeting last week.

He commented that the grounds if kept up as they have been start to wear out and are deteriorating and not maintained in the state. He also stated that the plant on the inside has been redone and is in good shape. Only blot on the record was that several parts of machinery are inoperative.

Chamber directors suggested that the city contact the installing company immediately and have the machinery put in working order.

The city also came up with another excellent suggestion which is the key note of the editorial.

They suggested that some program be worked out whereby at least one civic club would make a tour and study of the plant each year and that school children should also make periodic studies and trips through.

The water plant is one of the most vital city departments for the city. It is used as a drinking source. Yet this lethargy surrounds its operations. What is the attitude concerning less vital departments?

Recently Water Department Commissioner W. L. Collins and Superintendent Clarence Throop asked that the public go through the plant and see the progress being made there. But so far no one has knocked at the gates except official visitors.

The water plant should be the center of public concern and pride. It should be if the people started being guardians of that which is theirs.

BARBERSUPP GIVER GIVEN
FOR LOCAL TEACHERS

Marking their annual social get-together of the year, local Elementary and High School teachers and their partners were entertained with an outdoor barbecue Tuesday night at the home of Principal and Mrs. Frank O. Hobson.

A program of recorded music entertained the guests during the outdoor meal.

Entertainment consisted of a series of costume dances directed by Mrs. Marion Alene Murray, Miss Marian Najarian, Miss Faye Ledbetter and Miss Betty Rich with amusing prizes awarded the winners.

Climaxing the contests was "Giant in the Middle" for which winners Miss Faye Ledbetter and Charles Hall were awarded a suit case each and required to don the apparel. Each appearing later in costumes designed for the opposite sex, they gave a hilarious introduction. Refreshments were served following an evening of games and dancing.

and Mr. and Mrs. L. P. Parsons were special guests.

Family Allowances in Missing-in-Action Cases - The Dependents' Assistance Act of 1950 provides that dependents of missing-in-action personnel in action or prisoners of war may receive allowances without application having been made by the serviceman.

Since Public Law 771, granting allowances to the families of dependents of personnel missing in action or prisoners of war, in effect three months after hostilities in Korea began, many soldiers known to be missing in action or prisoners of war were never in a position to fill out the necessary forms designating dependents to whom allowances should be sent. In fact it was not until December 1950 that the machinery was in motion for mailing family allowances directly to the dependents of missing-in-action personnel.

Normally, dependents of a person listed as missing or a

Dollar for Dollar
you can't beat a **Pontiac**

For Miles and Miles of New Car Pleasure!

If you've never owned a Pontiac you've never known the thrilling experience of Pontiac's surging, eager power ... its smooth, sure-footed ride ... and its effortless handling ease.

But there's an even greater revelation — for Pontiac gives this new-car thrill for miles and miles and years and years.

It's a matter of record that no car has a more widely accepted reputation for dependability than Pontiac — that no car will perform so long, so well.

This is very important to think about when you're buying a new car. It is one of the big reasons why **Dollar for Dollar You Can't Beat a Pontiac!**

THINK YOUR EDUCATION (Continued from Page 1) ended Cap; so he produced sandwiches and cold drinks which he shared.

Other members of the party started out sinking half way up to their knees, but finally making it a few yards. My first few steps caused me to wonder just what was wrong for each time I would sink to my knees and quickly sit down to stop the sinking. Much tugging to extricate first one foot, then the other, so I soon convinced myself that I'd probably get stuck. However, I cut a pole about ten feet long and a couple of inches at the butt to use as a support while extricating one foot from the mire and to use as a purchase to pry the other one out.

After getting out I had to place a hand on their shoulders which furnished just enough support to keep my 230 pounds from heading for China the short way. Even then every few steps I had to pole had to be used to extricate myself or stop my downward flight. I've appreciated my broom beam so much before; it served to reduce the square inch load for support that my feet didn't.

After the others ended up with a fairly comfortable seat made from piled brush covered with the raincoats and a small fire afforded ample opportunity for me to burn my legs and the rubber soles of my shoes which I had put on to keep the water out. Finally I got the boots dry inside after pouring out the mucky water and by about half burning them.

Along after ten o'clock which was the time we had expected due to our comfortable sleeping place and the fire, we heard noises like aero planes approaching. Finally we saw in the distance streaks of light across the sky and decided that the Indians had sent us here to get us out, had sent us here to get us out.

After the others ended up with a fairly comfortable seat made from piled brush covered with the raincoats and a small fire afforded ample opportunity for me to burn my legs and the rubber soles of my shoes which I had put on to keep the water out.

When one of the boats approached within a hundred feet of us, Mr. Wadsworth and Mr. Van Sant were taken up with a pole and transferred to a larger frog boat which couldn't get any closer.

St. Johns First Baptist Church

Mrs. Estelle M. Conover, Reporter

Sunday School opened at 9:45 A. M. with Supt. Shelly Pouncy in charge. Prayer by Rev. S. L. Brown. Lesson subject: Jesus Fulfills the Prophecy. The study was divided into three parts. Moto Text: "Not what I will, but what thou will." Mark 14:36. Catechism of the lesson by Pastor Adams. Class No. 5 is still the banner offering class.

Meeting opened with a solo conducted by Dea. E. Jackson. The Senior choir rendered inspirational song service. Announcements. Consecration hymn by the audience, with the pastor in charge. Scripture lesson from St. Luke 19:28. Hymn by the choir.

The pastor came forward and delivered the message. Subject, Christ's Journey to Jerusalem. These words were taken from St. Luke 19:28. After a very spiritual sermon, an invitation was extended to join us. Officers came forward in their usual manner with Bro. S. L. in charge.

Evening worship was conducted by Dea. J. Thompson. Senior choir and usher were at their respective places. Announcements followed by the conclusion of the service. Scripture lesson by the pastor. Meditation hymn by the choir. Again the pastor came to us with another spiritual sermon. Subject, "What the World Thinks of the Church." These very strong words were taken from I Peter 4:4.

Bro. A. J. Ottis had the largest amount in the moderator's drive, after which a gift was presented to him by Sis. Spotte. This gift was presented to him to show our appreciation for his very fine work in this drive. Total \$47.60.

The following Auxiliaries contributed to the general church as follows:

Home Mission \$50.00

Deacons Board \$25.00

Dea. E. Jackson solicited from various sources \$53.35.

Pastor Adams and members wish to express their deepest gratitude to the members and friends who participated so graciously in helping us to render an excellent service.

The church Auxiliaries held their meeting throughout the week. The pastor and members will be attending the Progressive Baptist State Convention which will convene in Clearwater March 23rd. We also solicit your prayers as we travel to Clearwater.

You're cordially invited to our services on Sunday.

THANKS

We wish to express our sincere thanks to all of our friends who purchased tickets for the concert Sunday night when we presented the Palm Beach Stars in concert. Many thanks to Mr. Bill Taylor, Jr. for the use of his shop, Taylor's General Store. And Mr. Poole, the Ebony Voice, for their efforts in helping to make the program a success.

On the Religious side, "The Significance of Easter," Reprint was sent in last week.

"Heaven Bound" Presented Everyone enjoyed the play "Heaven Bound" which was presented by the members of First Baptist Church here at the school on Monday evening.

One was able to see how the devil tries to present his evil to us, who are on this Christian journey, and how we can stand strong against such temptations if we want to be "Well Done." We all got a deeper determination to aspire to all those things which are good qualities of Christian living.

Fifth Grade Program

The Fifth grade under the sponsorship of Mr. Waldron and Miss Shannon, presented their Easter Program, Wednesday at the regular assembly hour.

The play was in the form of a radio broadcast foretelling

the origin and meaning of Easter—why we celebrate this noble holiday. Many Easter numbers were sung by members of the Fifth Grade. Everyone enjoyed the program.

Wedding Announcement

You are cordially invited to attend the marriage of Little Miss Connie Moran to Mr. William Taylor, Jr. on Monday night March 26, 1951 at 8:30 p. m. at the Lake Shore Elementary School. Benefit Lake Shore and Shores Elementary Schools.

Phahokee Elementary School

On Palm Sunday at 6:30 p. m. in the New Bethel Baptist Church, Phahokee was the scene of a most inspiring service. The Glee Club of the School presented a cantata entitled, "The Thorn-crowned King." The sweetness of the voices of the children was very touching. Gwendolyn Bing, Geraldine Glee and Margaret Gordon were the soloists. Mrs. Mercedes Robinson, the third grade teacher was the narrator; Mr. Murrell, the principal with the accompanist; and Mrs. Clark conducted. A group of the third grade children pantomimed "The Old Rugged Cross" while the teachers' chorus sang the words. Mrs. Claudine P. Person gave a reading of "The Guide to the Sepulchre." The pastor of the church, Rev. Anderson, read the scripture, offered the prayer and had remarks. Among the many visitors were Mrs. Ora D. Lee of Bean City; Mrs. W. C. Taylor, Mrs. Mabel D. Addison, Mrs. Elsie G. Gandy, Mrs. Daisy Murrell, Belle Glade.

The plans and rehearsals for the minstrel revue, "Rodeo Revels" are coming along nicely and we are all anxiously awaiting the opening performance.

William Flakes, National Treasurer of NFA, attended a leadership training school for national officers March 12 in Washington, D. C. The purpose of this conference was to prepare officers for national and state official trips. Mr. J. R. Thomas, National Executive Secretary, Petersburg, Virginia, was in charge of the conference.

Among the guest speakers were Mr. W. P. Beard, Asst. Director, U. S. Office of Education, Voc.

Division; Mr. Oscar R. Ewing, Administrator, Federal Security Agency; Mr. H. B. Swanson, U. S. Office of Minimum Agricultural Education Branch, all of Washington, D. C. Mr. Flakes leaves June 3 for Virginia State College, Petersburg, Va. to attend the State NFA convention.

Mr. Flakes is on a call meeting recently. Plans are made to raise funds for four members to attend the state N. H. A. meeting which convenes at Fla. A. and M. College, beginning April 26. The girls are writing a

Belle Glade Herald

at which they plan to present this convention.

The Elementary Mothers Club held its regular meeting on March 6. Members made plans to present a Spring Hop on April 4. They have also planned an Easter Picnic for the pupils of the Elementary Department. Members present were: Mesdames A. Smith, M. Lealand, M. Walker, F. Harrell, F. Brown, L. Gant, L. Davis, J. Alexander, H. Adams, and A. L. Galloway, teacher-adviser. Mrs. G. C. Gandy, member present were Mrs. S. Jemmott and Miss T. Lycus.

The physical Education Department is having its annual Intramural Basketball Tournament.

The students of E. V. H. are competing in the second

year of the competition, which is still giving trouble to the North American continent.

it looks a lot like foot-and-mouth disease. As the result, many producers are concerned with the dread infection which is still giving trouble below the Mexican border.

Cattle sores mouth also poses a problem for livestock disease control officials and practicing veterinarians. They are afraid that foot-and-mouth disease may jump the border and break out in sores mouth-affected areas

without arousing suspicion.

The sores mouth agent is believed to be spread by biting insects, which grow on forage in some seasons. Mowing of mold-infested pastures prevents it. Good nursing and treatment with antisepsics usually bring about recovery.

Enjoy the Spring Months
in FLORIDA

Why return North to uncertain weather—mud, slush and possibly a case of flu—just because the calendar says it's spring.

In Florida you can depend upon the spring months being the most delightful of the year—warm sunny days, fragrant flowers, and temperatures just right for comfort. Golf, bathing, sunbathing, fishing and other outdoor diversions are then at their best.

As for travel facilities, you do not need to hasten your departure on that account. Finely equipped trains to both the East and Mid West are available over the Florida East Coast Railway throughout the spring and summer. In fact, later in the season you will find trains less crowded, accommodations easier to secure.

So plan to stay longer this year in Florida, and wait until it is really spring in the North.

WALKER-WHITE UNITED IN DOUBLE RING CEREMONY

Mrs. Malice Fay Walker, picture of South Bay, and C. J. White were united in marriage on March 10 at 5 o'clock by the Rev. James N. Purcell, using the double ring ceremony.

The wedding took place at the home of the bride in the presence of members of the immediate family.

The bride chose for the occasion an aqua suit with pink accessories and wore a pink carnation corsage.

Mrs. O'Neal Walker, sister-in-law of the bride, was the matron of honor. She wore a beige suit and hat and carried a lizard-skin pocketbook.

James Cook of Belle Glade was best man.

A double ring followed the ceremony when the newly married couple left on a weeks honeymoon tour of Florida. They will make their home in South Bay where the bridegroom is engaged in the culture of flowers on a commercial scale.

Mrs. and Mrs. C. J. White have returned from their honeymoon tour of Florida

Mrs. Alice Lamoureux, student at Palm Beach Junior College, was home over the week end.

Mrs. Clayton Waters, Mrs. John L. Evans and son John Brown Evans left last week for Ashburn Ga., where Mrs. Evans is visiting her parents. Mrs. Waters proceeded to Chattanooga, Tenn., to visit relatives

for a few days and will then rejoin Mrs. Evans for the return home.

Mr. and Mrs. Emory Moseley and family visited their uncle J. P. Private and cousin Mr. and Mrs. Frank Prevatt at Bean City Sunday.

Mrs. Laura Crow is expected home from Clearwater this week. She has been visiting her son-in-law and daughter Mr. and Mrs. R. E. Green at that point for several weeks.

Pfc Richard Byrd has been transferred to New Mexico at a camp near White City.

Mrs. H. O. Michell has returned from South Bay to the Belle Glade hospital where she was rushed Saturday when suddenly stricken with a heart attack. She remains quite ill.

Mr. and Mrs. B. M. Willard and family enjoyed an evening and picnic dinner in the vicinity of Immokalee Sunday.

Mrs. A. B. Barnes is quite ill at her home in South Bay.

The 4-H Club met Thursday afternoon in a work session under direction of Mrs. Mildred Michaud, assistant home demonstration agent, and Mrs. Mayell Willard.

The hour was spent in sewing on their individual projects.

Mrs. C. A. Whitman is ill at her home here and unable to attend to her work at the South Bay Restaurant. Miss Audrey Crawford is supplying her place.

The various home rooms in South Bay Schools are planning Easter parties for the last of the week.

CHIEF WHITE FOLLOWS UP TWO ROBBERSIES HERE

Chief R. C. White of South Bay was working Saturday evening and on two robberies which took place Friday night.

The Three-Way Gulf Station and the Bus Terminal were entered some time during the night, entry being effected by breaking the locks on the doors. The two places of business are adjacent.

No finger prints were left at either place indicating an experienced job. W. W. Ferguson at the Filling Station had a re-

turn to the bus terminal.
